Dear Mr. Thomas Adams & Staff,

Enclosed in this package are the materials to be considered for the future revisions to the IQC History–Social Science Framework curriculum, per our previous meetings and conversations.

On behalf of the Korean School Association of Northern California (KSANC), we would like to extend our gratitude to you and all IQC members and staff for your endless dedication to improve education in the State of California.

As you know, KSANC currently works with 46 Korean Schools in Northern

California teaching native language, history and cultural aspects of Korean heritage to 2<sup>nd</sup> and 3<sup>rd</sup> generation by many Korean volunteers. Our organization is proud to work with the IQC History–Social Science Framework to ensure the accuracy in educating students in the state of California. We would like to offer our continued support to you anytime and hope to build an even stronger relationship heading into the future.

Thank you again for all your support.

Sincerely,  
KSANC Korean History Executive Committee
